To Whom It May Concern:

I would like to write this letter to show my thanks and appreciation to Ms. Becky Moore, Account Executive for MY 35 San Antonio. Becky has also assisted us with FOX 29 at various times. She is always willing to do whatever is necessary to ensure that her mission for SWS is accomplished.

What really impresses me is Becky's sincere approach in dealing with our school. She makes us all feel that we are the only client that she has. The school director informs me that she is always calling to check our lead flow and more than willing to make adjustments if needed.

MY 35 and FOX 29 are great stations to work with. Their technical support is great and very helpful when it comes to making great commercials. The Bottom Line: Becky Moore, MY 35, and FOX 29 are a great team.

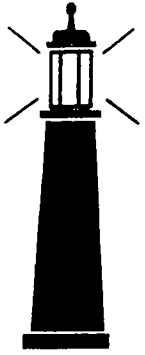

I highly recommend Becky Moore, MY 35 and FOX 29.

Sincerely,

KMYS and KABB,

I just wanted to take a minute out of my day to let you guys know how much I appreciate everything you have done for myself and my two Colortyme stores. I have two stores and both of them have definitely had an increase in traffic since we started airing with these two stations. Jonathan is the AE that approached me and allowed me to see the power of television and there has been no turning back since. He is always looking for ways to help my business grow, and for this I am very grateful. Let me also say something about their production team. Scott Briscoe has done a really great job with all the commercials he has put together for me. The best thing about their whole production process is that it's added value for me. These stations are so confident in themselves (and they should be) that they don't charge you for the production of the commercial! So, again, a huge thank you to Jonathan, the production team, and all of KABB and KMYS. I really look forward to working with you more, and growing both of our businesses down the road.

Best Wishes,

Mr. Dean Radla
Director of Sales
KABB-TV
4335 NW Loop 410

Dear Mr Radla:

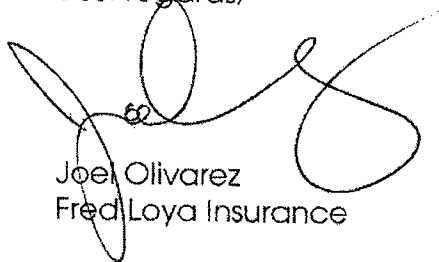

Fred Loya Insurance has been an advertiser in San Antonio for several years using a combination of TV, Radio & Outdoor. Most recently, in July 2008, Fred Loya Insurance began utilizing KABB-TV in the advertising mix.

It is our strategy to use two TV stations per market. KABB being the anchor station in San Antonio in 2008 has proven to be a successful strategy over the past 9 months.

Our call volume has increased dramatically and we feel a huge reason is through our advertising partnership with KABB. Because of this success Fred Loya renewed with KABB for 2009.

Thank you again for your generous attention to our account and needs!

Best regards,

Joel Olivarez
